RE: Water District 37

Dear Mr. Disbennett;

With the loss of Lee Peterson as watermaster of your district for the rest of this year, your legal status as deputy watermaster has come into question. Since you never submitted an oath of office, you may not be covered by the Director's surety bond for any water-delivery work you do before a new watermaster is elected. To solve this problem, please sign the enclosed oath of office before a notary before returning it to me for inclusion in our water-district files.

Regards,

James E. Stanton
Sr. Water Resource Agent
